Description:

Fabric softener with a VERY HIGH concentration of active substance.

Its high level of perfumation with the new LAVENDER fragrance remains long after taking clothes out from the machine

Key Properties:

Its high softening power and static charge remover makes it a suitable product for all types of clothing, getting the highest EFFICIENCY.

It shortens ironing and drying times, speeds and temperatures, enabling considerable energetic SAVINGS.

Use Instructions:

Apply a dose of 2 to 6 gr of the product per each kg of dry cloths, in the last rinse, without mixing with other products.

Technical Data:

*PROPERTIES:
