Description:

BACTEROMIL Sanitizing Hand Gel is a product appropriate for the continuous hand wash, extremely soft due to the incorporation of antimicrobial and moisturizing agents for the skin.

Key Properties:

Suitable for people with frequent need of higher hand hygiene and hand wash:

- in constant contact with coins, banknotes... (banking, ticket offices, shopping...)
- Although not for legal reasons, but for healthy recommendation, need a better hygiene (nurseries, doctors, dentists, massage therapists, beauty...)
- Are required to have their hands disinfected (contact with food in the food industry, catering, slaughterhouses, operating rooms...)

Use Instructions:

Use directly putting a small quantity of product, and then rinse with plenty of water.
