Description:

The THOMIL BATHROOM CLEANER is an acid detergent that provides a fast and efficient cleaning. Removes easily soap stains and lime residues. Its formulation provides a sanitizing and anti-lime effect.

Key Properties:

Cleans quickly glazed tiles, baths, faucets and all type of washable surfaces in bathrooms.

Use Instructions:

Apply directly on the surface to be cleaned (bath, sink, shower, WC, bidet and faucets). Leave it for a few minutes. Clean with a cloth or sponge and rinse. Can be used on marble with case. Little contact time required. On white glazed baths, make a test close to the wastepipe, wait for five minutes, rinse and dry. If the area keeps its brightness, use properly.

Technical Data:

* PROPERTIES:
Cleaner, especially suitable for the deep cleaning of bathrooms. Pleasantly scented.

* SPECIFICATIONS:
Appearance: clear liquid
Colour: pink
Odour: floral fragrance
PH (20°) : 2.5 - 3.5
