### Description:

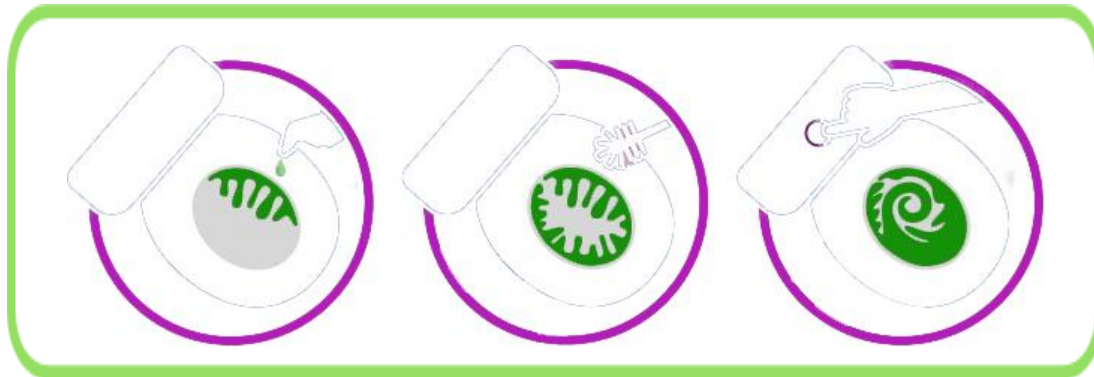

Highly adherent, highly concentrated and fast-acting chlorinated cleaning gel. It descales, removes lime and deodorizes. Specially formulated for deep cleaning of toilets and urinals. The product container has an adjustable neck that allows it to better reach under the toilet edges as well as the toilet walls. Its strong removal power easily eliminates lime, stains and deposits, providing a pleasant scent of white flowers.

# Noticeable Results

Highly recommended for...

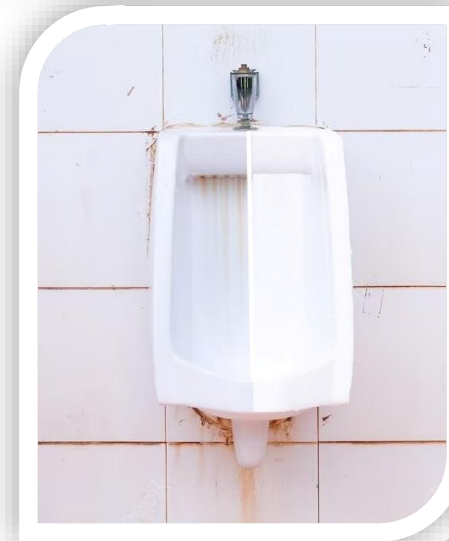

-  Teaching Centers
-  Hotels & Residences
-  Bars & Restaurants
-  Health Centers
-  Cleaning Companies

Extend along the inner edges and the inner surface walls

Wait for 1 minute and rub

Rinse by flushing the toilet
